Science:

Catapults & Ballistics-\$149.00

June 20th-June 24th 8:30-11:30

IT'S BACK BY POPULAR DEMAND! This was such a hit last year we just had to do it again! Catapults, cannons, and cross bows. We will build a fort and a castle to lay siege upon. In the morning you'll be building your own tabletop wooden trebuchets to launch objects in your backyard. Experiment with trajectory and velocity with our Giant Catapult. .

Junk Yard Robots: \$149.00

July 11-July 15th 8:30-11:30

Battle and Race in the Battle Dome. Gear up for the next generation of robot transformers! Use the power of science to build your own monstrous creation or a fuzzy friendly pet. That's up to you! Build and meet the electro-powered robot bug and compete in the Polymer Olympics. The robot goes home with you when camp is over to continue the experiments and fun.
