**Notes:**

- Thursday, February 23 @ 9:00am (weather permitting) – FFA Farm. We will be walking over to the high school to visit the FFA Farm. Please be sure to send a warm jacket and comfy shoes. Also, I’m missing a few permission slips. If you haven’t filled one out, please do so by Thursday morning!
- *Friday, March 2-Tuition Only Day*
- March 26-30 – Spring Break
- We have had a lot of requests for **Show and Tell** in our classroom! We will be starting in March! **Please see the included calendar for your child’s Show and Tell day!** We will have a morning and afternoon show and tell time! For show and tell, we ask that your child’s item is somehow related to our theme for the week and/or the letter of the week. For example on Ss week, your child could bring a stuffed animal snake. The show and tell item needs to be small enough to carry in a back pack. Please let me know if you have any questions! I can’t wait to see your great show and tell ideas.
- I have also included an educational article for your enjoyment!

**Our Week:**

- We will be learning about dental health and keeping our teeth clean and healthy!
- Our letter of the week will be Rr. Please remember to help your child find words with Rr in them!

**Here are a few things you can be talking about/working on at home...**

- Numbers, numbers, numbers: please help your preschool practice writing and counting numbers 1-20 and beyond!
- Last names: we will be working on identifying and writing our last names.
